
III WORKSHOP NEEM & Pheromones: Practices Oriented Results on Use and Production of Plant Extracts and Pheromones in Integrated and Biological Pest Control

Coordination: Prof. Dr. Reginerio Soares de Faria - Pesq. EPAMIG/Universidade of Uberaba - Brazil

The **INSTITUTE OF ENVIRONMENTAL SCIENCES AND TECHNOLOGY** of the **University of Uberaba** in partnership with **Trifolio - M GmbH** - Germany with the support **GTZ** - Deutsche Gesellschaft für Technische Zusammenarbeit - Germany, **Bioexton Ltda, Quinabra Ltda, ICBS** - Institute of Biological Sciences and of the Health, **ICAV**—Institute of Advanced Studies of Veterinary “José Caetano Borges”, **EPAMIG**— Agriculture and Livestock Research Company at the State of Minas Gerais and and **UFG** - Federal University of Goiás has the honor of inviting him to participate in III Workshop NEEM & pheromones that will be accomplished in Uberaba –MG, in the 26 and 27 October, 2001, according to programming:

Objective: To present and to discuss technologies for the application of NEEM & Pheromones in Brazil in plants and you encourage, seeking the control of curses, endo and ectoparasitas looking for the creation of a public conscience of the theme of fundamental importance for the production of victuals with maintainable with.

White public: Teachers, researchers, graduation students, masters degree, liberal professionals, production companies, he/she researches and extension with interest in the area of alternative technologies seeking the maintainable development.

Place: Auditorium of the Library of the University of Uberaba

Av. Nenê Sabino, 1801 – Bairro Universitário

38.055-000 - Uberaba - MG

Phones: (34) 3319 - 8962 - 3319-8818 fax: (34) 3314-8910

E-mail: biorganico@uniube.br Site: <http://www.uniube.br>

Programming:

Day: Friday, October 26, 2001

13:30 - 14:00 - Opening

14:00 - 15:00 - Agriculture with Ethical and Ecological Criteria - A Research of Literature
Prof. Dr. Hubertus Kleeberg - Biofísicoquímico - Germany.

15:00 - 15:15 - Discussions

15:15 - 15:30 - Coffee Break

15:30 - 16:30 - It Controls Biological in the context of the integrated handling of curses in Brazil.
Prof. Dra. Madelaine Venzon - Eng. Agricultural - Entomology - Pesq. EPAMIG - Brazil

16:30 - 16:45 - Discussions

16:45 - 17:45 - Researches on the forms of action of the Product NeemAzal-T/S.

Prof. Dr. Edmund Hummel - Eng. Agricultural - Entomology - Germany

17:45 - 18:00 - Discussions

18:00 - 19:00hs - Use of Pheromones and Alelochemicals in the Organic Horticulture.

Dr. Geraldo Deffune G. de Oliveira – Eng. agricultural Organic and Biodynamics
ICTA/University of Uberaba - Brazil

19:00 - 19:15 - Discussions

Day: Saturday, October 27, 2001

8:00 - 9:00 - Control of curses in the banana's cultures, coffee and citrus with products the base of Neem.
Prof. Dr. Américo Iorio Ciciola Júnior - Eng. Agricultural -Entomology - Pesq. EPAMIG - Brazil.

9:00 - 9:15 - Discussions

9:15 - 9:30 - Coffee Break

9:30 - 10:30 - Degradation of the I begin active of the product NeemAzal-T/S in the soil and other materials.
Prof. Dra. Beate Ruch - Chemic/Organic - Germany

10:30 - 10:45 - Discussions

10:45 - 11:45 - Use of products the base of NEEM in the control of Endo and Ectoparasites in Brazil.
Prof. Dr. Miguel Joaquim Dias - Medicate Veterinarian - Animal Production - Federal University of Goiás
Brazil

11:45 - 12:00 - Discussions

12:00 - 14:00 - Lunch

14:00 - 15:00 - Possible Risks of Application of the product NeemAzal-T/S for the useful insects (beneficial besides
Bee (Apis mellifera).
Prof. Dr. Armin Kratt - Chemical Organic - Germany

15:00 - 15:15 - Discussions

15:15 - 15:30 - Coffee Break

15:30 - 16:30 - Attempts of Control of Plant -patogenos with biological products: Contansã, Milsana and others
prepared.
Prof. Dr. Hubertus Kleeberg - Chemicalphysicalbio - Germany.

16:30 - 16:45 - Discussions

16:45 - 17:45 - it Visits the Section of Posters, presentation of technical results and deposition of producers
users of products the base of Neem in Brazil.

17:45 - 18:00 - Closing and discussion of proposals with the participants for development of projects
in Brazil.
