Confirmation "NeemAzal-T/S" is accepted for organic farming in European Union

Herewith we confirm that the active ingredient Azadirachtin in the form of its variant "NeemAzal" and its formulation "NeemAzal-T/S" is registered according to the German plant protection regulations. The active ingredient as well as the formulation is acceptable for organic farming as listed in the appendix of EU-regulation 2091/92.

In case you have further questions, please do not hesitate to contact us.

Best regards,

Priv. Doz. Dr. habil. Stefan Kühne
Koordinator for plant protection in organic farming
