

NeemPro®Tierpflege

Product information and instructions for use

NeemPro®Tierpflege is a special care product for your animal. Besides Margosa extract as NeemAzal® (plant extract from neem tree), it contains vegetable oils and skin-friendly, washing-active substances. NeemPro®Tierpflege pleasantly nourishes irritated and itchy skin of your animal.

NeemPro®Tierpflege at a glance:

- well-groomed and shiny coat
- especially mild and skin-friendly
- moisturizing
- no washing out necessary
- low consumption
- from renewable raw materials

Application:

Fill the required amount of water into a container and add the required amount of NeemPro®Tierpflege while stirring continuously. Use the solution on the day of preparation and prepare only the required amount. Apply NeemPro®Tierpflege to the entire (dry) coat – even against the direction of coat growth. The product can be applied using a spray bottle or sponge. For herd treatment, back sprayers can be used. Make sure that the animal is completely saturated. Keep the treatment solution away from the eyes. NeemPro®Tierpflege does not have to be washed out.

Recommended application amount for use

on dogs: 5 ml NeemPro®Tierpflege with approx. 200 ml water
on cats: 5 ml NeemPro®Tierpflege with approx. 200 ml water
on sheeps: 10 ml NeemPro®Tierpflege with approx. 1 L water
on horses: 50 ml NeemPro®Tierpflege with approx. 1 L water

Depending on the size of the animal, the quantity can be adjusted accordingly.

Ingredients:

Margosa extract (neem), pure plant oils with surfactants based on renewable raw materials

Note:

NeemPro®Tierpflege is intended for external use.

Storage and shelf life:

NeemPro®Tierpflege is free of preservatives and has a limited shelf life. Please therefore pay attention to the expiration date. Store in a cool and dry place at temperatures between 15 and 20° C.
